# Superbots Industry Immersion Day

**MONDAY 22ND OF NOVEMBER 2021**

**9.30AM – 3:00PM**

**FACE TO FACE AT MONASH TECH SCHOOL**

A bespoke interactive workshop for Years 7–9 girls interested in IT, AI, Sci-Fi, and social influences in artificial intelligence development.

Girls will participate in an interactive session which explores the history, ethics, and societal influences on voicebots and voice assisted software development.

Educators should target girls who are interested in IT, AI, voice assisted software development, and social sciences.

Participating girls will:

- Be mentored by Monash University and Industry professionals
- Develop their own concept Voicebot
- Attend a Careers & Pathways session; delivered by Monash University & WiV Network
- Present their work in a supportive forum
- Receive a Monash Tech School Digital Badge
- Limited places available

Schools and students can register at
