

CAREER LAUNCHPAD WORLD CHANGERS

Tuesday 20th July 2021
9.30am – 11.30am

The Woodside Building for Technology and Design
20 Exhibition Walk, Monash University, Clayton

A fast paced networking opportunity between students, industry and Monash University which will allow students to investigate careers and pathways that matter most to them.

- Delivered face to face at Monash University.
- Key industry and tertiary education stakeholders represented.
- Sectors may include Housing, Social Justice, Innovation, Sustainability, Law, Health, International Relations, Politics, Food, and Transport.
- Suitable for all year levels.
- Excellent opportunity for students to generate early employer networks.
- Students will create their own suite of interview questions, which will unpack their top questions, identify future occupations and pathways and collect the tips they need to kickstart their own career as a World Changer.

Schools and Industry can register at
